

<https://www.audubon.org/>

Bird Day was first observed on May 4, 1894 by Charles Almanzo Babcock, superintendent of schools in Oil City, Pennsylvania - according to the Library of Congress. Bird Day is often celebrated in tandem with Arbor Day - focusing on conservation and awareness.

Children

Take & Make:

- Make bird feeders ([Simple Cookie Cutter](#), [Cheerio Easy Feeder](#), [Homemade feeders to make with your kids](#)) or bird houses (learn the difference between bird houses and nesting boxes) .
