

<https://nationaltoday.com/national-crafting-month/>

Pick a type of craft or material to focus on each week. Fiber & Textile, Paper, Floral, Wood, Metal, Leather, Ceramic, Glass, Fashion, Mixed Media, Recycled & Edible.

The ideas are almost unlimited for take & makes. For virtual programming, have your library host an online how-to workshop. Perhaps you have a staff member or community member known for a particular craft. This is a great month to promote any stitching groups your library hosts (perhaps they would like to host an online workshop for you).

Note: [Martha Stewart predicts](#) that crafts like candlemaking and outdoor decor will dominate our DIY projects in 2021
