### **The More We Get Together**

The more we get together

Together, together

The more we get together

The happier we'll be

'Cause your friends are my friends

And my friends are your friends

The more we get together  
The happier we'll be  
Oh, the more we get together  
Together, together  
The more we get together  
The happier we'll be  
There's Chris and Tanya  
And Jason and Jusitn  
The more we get together  
The happier we'll be  
The more we get together  
Together, together  
The more we get together  
The happier we'll be  
'Cause your friends are my friends  
And my friends are your friends  
The more we get together  
The happier we'll be

**If You're Friendly...Original Author Unknown**

**Sung to:** "If you're happy and you know it"

If you're friendly and you know it,  
clap your hands.

If you're friendly and you know it,  
clap your hands.

If you're friendly and you know it,  
and you really want to show it,

If you're friendly and you know it,  
clap your hands!

### ***Program Ideas:***

- Host a tech program to teach different platforms of keeping in touch with your friends virtually (maybe some of your teens would be the best teachers).
- Host a program on being your own best friend. Self-love first!
- Host a how-to for dating sites for those thinking about looking for that one special friend.
